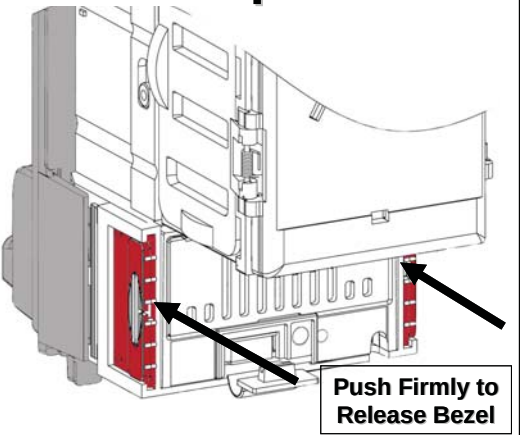
Switch 5	Serial	Pulse
Switches 6 - 8	*Reserved*	

Note: "Custom" has a default setting of 200 / 200mS but can be reconfigured for a different timing. Please contact your Coinco Sales Rep for more information.

Quick Release Bezel Operation



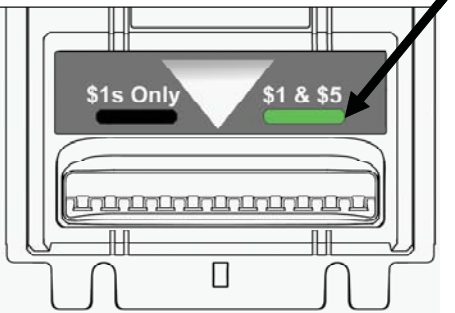
1. Push firmly on Quick Release Tabs using a screwdriver tip. Tabs will move towards bezel and latch.
2. Once both tabs are latched, the bill acceptor will separate from the bezel.
3. To reattach, push bill acceptor body firmly onto bezel until it locks.

Smart Bezel™

Communicates to Customer Which Bills Are Accepted

Feature not available on all models.

Denotes acceptance of both $1 and $5 bills.



- **$1 & $5 Is Lit When**: *Both bills accepted and change can be made for them.*
- **$1s Only Is Lit When**: *Change can only be made for $1 bills.*

Note: For correct operation, make sure $1 and $5 bills are enabled (see Configuration Settings).

For more information on the Vantage™, please see the Operation and Service Manual, available at www.coinco.com
